Activity 2: Spelling Power-Ups!

Let's practice these words like pros! Choose one or two activities:

- **Word Scramble Dash:** Write each spelling word with the letters mixed up (e.g., 'tarvaa' for 'avatar'). Time yourself unscrambling them!
- **Rainbow Write:** Write each spelling word three times, using a different color each time.
- **Sentence Server:** Write a sentence for at least 10 of the spelling words. Make sure the sentence makes sense and shows you understand the word's meaning in Roblox. Example: 'My **avatar** is wearing a cool new hat.'

Activity 3: Build-a-Story Workshop

Imagine you are inside your favorite Roblox game. Write a short story (at least 5-7 sentences) about

an adventure you have. Try to use at least 5 of your spelling words from the list correctly!

Example Start: 'Yesterday, my **Robloxian** friend and I decided to **explore** a new pirate **simulator** game. Our first **quest** was to find hidden treasure...'

Activity 4: Boss Battle Review (Wrap-up)

Let's review! Look back at your list. Which words were the trickiest? Practice writing those words one more time. Try spelling them out loud without looking. Great job completing your spelling quest today!
